

Send Snapshot of Chart to Practitioner

After you've logged in click on the menu  icon and select **Send Snapshot**.

1

The system will ask if you'd like to send a chart snapshot to your teacher. You will need to select OK. Listed in your Messages, will be a message titled, "New Snapshot".

Note: all snapshots are saved on HIPAA-complaint servers. Your FertilityCare Practitioner will receive an email that they have a snapshot, they must log into the App to see your snapshot.
